

Weekly Message October 21, 2022

Hello James Mowat Families,

The beautiful fall weather provided the perfect opportunity for a nature walk with our FNMI consultant, Jeremy Albert. He highlighted our connection with the land and shared a number of insights. We are very fortunate that he was able to join all of our classes for this activity.

Many of you may have noticed a firetruck at our school. Our fire department shared information about being a firefighter and a bit about how a fire truck works. Our Grade 1 students were very excited to see the firetruck and ask questions.

We are still looking for additional volunteers for our Halloween Dance on Friday, October 28. This is a great opportunity to support this Parent Council initiative. Please contact jamesmowatpaa@gmail.com

A reminder to not stop or park in the city transit stop to the south of our school on the main road. This transit stop is used throughout the day and is clearly marked.

Have a great weekend and see you at the Halloween Dance.

James Mowat Staff
