Hello James Mowat Families

Our Holiday Concert was a great success. This was an amazing opportunity for students to perform for all of our guests. A huge thank you to all the staff who made this possible and to our students who diligently practiced until everything was just right. We hope you enjoyed the show and appreciate your ongoing support. We collected 411 pounds of food and \$85 cash for the food bank.

After a long and tumultuous journey, and with the help of everyone, we made it to the North Pole. Due to the unforeseen chilly weather all passengers required hot chocolate and candy canes to warm up. Fortunately, we had a special hot chocolate delivery on the Mowat Express and the trip was enjoyed by all. Thank you to all for supporting this important reading initiative.

On behalf of James Mowat Staff we wish everyone a festive and safe holiday. We hope you have the merriest holiday season filled with laughter and joy.
