- Children come in smaller groups to learn a bit about the classroom, the school and daily routines.
- More info will be send through email

School Supplies

School supply list will be posted on school website. We offer Write on Stationary program where you can order your child's school supplies and you can pick it up at the school in August.

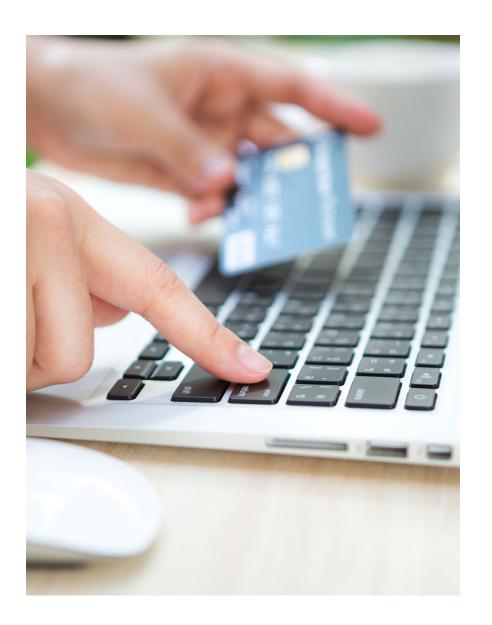

Tools for School is a program from the United Way that provides backpacks filled with school supplies to students in kindergarten to Grade 12 whose families have limited resources. The supplies provided may not be everything that's on your child's supply list, but it's a start.

If you would benefit from the Tools for School program, contact the school office.
