

the JAMES MOWAT Messenger

June 2023

Dear Parents/Guardians,

Welcome to the last month of the school year! It's exciting to see each student's growth this year.

June is a very busy month filled with Grade 6 PAT's, field trips, Fun in the Sun, Talent Show, Kindergarten graduation and the Grade 6 Farewell. We wish our Grade 6 students all the best as they leave James Mowat and move on to Junior High.

We would like to extend our appreciation to our Parent Council and Parent Advisory Association for their generous support of our school again this year.

Thank you to all of our parents who volunteered this school year in classrooms, on fieldtrips, on Parent Council and the Parent Advisory Association, with hot lunch, at casino, or at Fun in the Sun.

We wish the following staff all the best as they will be leaving James Mowat: Mrs. Bartz, Miss Charrois, Miss Kobelka, Miss Kotronis, Mrs. Laurent, Miss Leblanc, and Ms. Reimer. We would like to thank them for their contribution and dedication to making our school an amazing place to be!

Have a wonderful and safe summer! See you back to school on August 31, 2023

Mr. Stacey Boyko, Principal

Mrs. Amaya Ortigosa, Assistant Principal

Fun in the Sun - Thursday, June 15

James Mowat's annual Fun in the Sun day will be on Thursday, June 15. Students will participate in various fun events like an egg race, chuck the chicken, obstacle course, long jump, and bucket brigade to name a few!

A huge thank you to our many volunteers who make this event possible!

Parent Council is treating the students to a free hot dog lunch. Thank you Parent Council!

Thank you to Freson Bros. for their generous donation to our Fun in the Sun Hot Dog Lunch.

How can parents help their children prepare for tests?

It is important that children feel relaxed and comfortable when they write any test, including provincial achievement tests (PATs). Children's feelings about a test are very much influenced by what adults close to them say about those tests. Parents can be of most help to their children by encouraging them to relax and do their best, just as they would when writing any test.

Are you Moving this Summer?

If you are moving and will not be returning to James Mowat Elementary in the Fall, please let the office know. It is very helpful to have this information as we plan for next year.

Smiles from Spencer Fundraiser

It is tradition each year that we raise money for a very special cause—Smiles from Spencer. Many of you may not know that Spencer was a student who attended our school many years ago. He was in grade 5 when he was diagnosed with a terminal brain tumour. Sadly Spencer passed away from his disease a year later. Spencer always had a huge smile that would light up any room. His family made it a goal to celebrate his life so that is why we raise money for cancer research and continue this tradition to celebrate Spencer's legacy.

This year to raise funds students may purchase a frozen treat for \$1.00 on Friday, June 23. Thank you for support of this cause.

REMINDER: 2022-23 school fees

School fees for the 2022-23 school year are posted on the [PowerSchool Parent Portal](#). All fees are due within 30 days of being posted. Throughout the year, fees are often added to cover the costs for various activities, such as field trips, extracurricular activities, and late, damaged or lost textbooks.

To access your fee information, simply log in to the PowerSchool Parent Portal and go to "Student Fees." There you can view fees and pay them online using a credit card. Make sure to monitor your child's account on an ongoing basis.

For more information about school fees, waivers and payment deadlines, visit eips.ca/schools/fees. And, if you have questions, think there is an error or need help creating a PowerSchool Parent Portal account, contact your child's school directly before the summer break.

NOTE: Pursuant to [Board Policy 23: School Fees](#) and [Administrative Procedure 505: School and Administrative Fees](#), EIPS will forward any unpaid 2022-23 fee amounts to a collection agency. To prevent this from happening, remember to pay your fees before Aug. 31, 2023.

National Indigenous Peoples' Day

June is National Indigenous Peoples' Month and June 21 is National Indigenous Peoples' Day! This is a day to recognize the heritage, cultures, and contributions of Indigenous peoples in Canada. In 1996, Roméo LeBlanc, then Governor General of Canada, announced June 21 as National Aboriginal Day. It has since been renamed as National Indigenous Peoples Day. June 21st was chosen as it coincides with the summer solstice, the longest day of the year. This is a day/time of significance when many Indigenous peoples and communities celebrate their culture and heritage. At James Mowat we will celebrate by having 'Lunch on the Land'.

2022-23 EIPS Annual Feedback Survey: For Parents and Caregivers – Results now available

The results of the 2022-23 EIPS Annual Feedback Survey: For Parents and Caregivers are now available. In March, the Division conducted the annual survey, which helps EIPS gauge its progress toward meeting the goals and priorities outlined in its [Four-Year Education Plan](#). Families were asked a series of questions about their experiences with EIPS and the school their child attends, the overall performance of the Division, the quality of education being provided to students and areas for improvement.

Thank you to all families who took the time to share their feedback with the Division. Overall, the survey received 2,709 responses from parents and caregivers across EIPS. EIPS, and schools, will now review the feedback in detail and use it to develop new strategies to serve students and the wider community better.

Pre-kindergarten Programming at EIPS

Is there a preschooler in your life experiencing developmental delays or challenges with speech-language or motor-skill development—big or small? If so, Elk Island Public School's Play And Learn at School (PALS) program could help.

Early learning lays the foundation for success in primary grades and beyond. As such, EIPS offers the pre-kindergarten PALS program in five of its elementary school locations. In fact, EIPS is now accepting applications for free speech-language assessments for those interested in registering in the PALS program this fall. The assessment helps determine if PALS is appropriate for your child.

If you know a preschooler, born in 2019 or 2020, who could benefit from pre-kindergarten programming or want to book an assessment, fill out the [PALS Program Request Form](#) or call 780-417-8219. For more information, visit eips.ca.

Student Transportation: 2023-24 registration

Planning to use Student Transportation in the 2023-24 school year? If so, make sure your child is registered so Elk Island Public Schools (EIPS) can plan routes and send your child a bus pass before the first day of school.

All students who indicated needing transportation services through the returning student or new student registration processes are now registered. Those families have also received tentative route schedules and invoices—fees are due June 30, 2023.

For those students who didn't indicate needing transportation services during the registration process and want to now register, simply fill out this [registration form](#).

For more information about EIPS Student Transportation, visit www.eips.ca/transportation.

NOTE: Families can pay fees online using the [PowerSchool Parent Portal](#). To pay in-person, visit the [EIPS Student Transportation building](#) during its office hours—Monday to Friday, 7 a.m. to 5 p.m. on school days and 8 a.m. to 4 p.m. on non-school days.

After that, both the children and parents hop on the bus to practice what they've learned by venturing out on a short ride.

Tools for School

James Mowat Elementary has once again partnered with the United Way for the [2023-24 Tools for School](#) campaign. Annually, Tools for School provides backpacks and school supplies to students in Kindergarten through Grade 12 whose families have limited resources. If you're a parent or know a parent who needs access to the program, contact the school directly. Staff will discretely provide the backpack to the child at the beginning of the 2023-24 school year.

Alternatively, if you'd like to donate to the program, you can pick up a few extra supplies when you're out shopping for back to school in August. Drop-off boxes are located at the EIPS Central Services office, all [Staples locations](#) and various businesses in the community. Any supplies donated within the community are invested back into the region.

Understanding Emotions

Emotions are a normal part of life. Emotions aren't right or wrong or good or bad, they simply tell you how you feel. You can control your actions and behaviours, even when emotions are intense.

Help your child identify and manage strong emotions with these calming strategies.

Notice and name emotions. Help kids learn how to deal with and talk about their feelings. Use the Emotion Wheel link below to help name emotions and ask your child how their body feels when they are angry, sad, happy etc. This can help make the emotions less intense and can help your child respond rather than react.

Teens may enjoy **journaling about feelings** or **expressing their feelings through art or music**.

Tense and release

Tensing and releasing all the muscles of your body, one body part at a time, can help reduce tension and calm the mind. This is a great way to end the day with your child.

- ★ Find a quiet comfortable place to sit or lie down.
- ★ Focus on your feet and legs. Take a slow, deep breath in as you tighten those muscles. Hold for 5 seconds, then exhale and release those muscles.
- ★ Inhale, squeeze your fingers, shrug your shoulders to your ears and tighten the muscles in your abdomen, hold for five seconds. Exhale and release those muscles.
- ★ Scrunch up your face as you inhale, hold for 5 seconds and exhale to release.
- ★ Take a breath in, lighten the muscles of your whole body and as you exhale, let your whole body relax.
- ★ Notice how you feel now. Repeat as needed.

Self-care

As a parent, being a positive role model all the time can be hard.

Find healthy ways to express your own emotions and cope with stress. Be sure to take time for yourself to recharge. Some ideas include:

- ★ Going outside for a walk
- ★ Learning something new
- ★ Listening to music
- ★ Talking with a friend or family member
- ★ Watching a funny show
- ★ The ideas are only limited to your imagination!

What do you like to do to recharge?

Gratitude

Being grateful can improve your ability to cope with stress and improve overall mood. Here are some simple ways to practice gratitude with your family:

- ★ Say what you're grateful for each day
- ★ Savor the small everyday experiences by noticing how they made you feel
- ★ Say "thank you" when someone does something nice for you
- ★ Use a journal to write down things you're grateful for or write them on a slip of paper and add them to a gratitude jar and watch it fill up. Each month read together all of the things your family is grateful for.
- ★ The key is to practice daily!
