

September 15 2023

Hello James Mowat Families,

Students continue to appreciate the amazing fall weather while playing at recess. Our outdoor classroom seems to be a favorite for many of our students and you are encouraged to visit the beautiful space next time you are at our park.

School photos are always the highlight of the week for many students. Please note the retake date for photos is October 24 (October 25 for the Track A Kindergarten class).

Meet the Staff was a tremendous success! Many students were eager to be tour guides and show you their classroom and desks along with the rest of our great facility. Thank you for taking the time to see the school and visit with staff.

Thank you to those families who have completed their child's annual **Correction and Verification form**. A reminder to those who still need to complete this form to do so by **September 22**. Even if your information hasn't changed, log in to your [PowerSchool Parent Portal](#) to review and submit the form to verify EIPS has the correct information on file.

Each year you must complete your child's **Technology Use Agreement** and **Code of Conduct Acknowledgement forms**. Reminder emails with the links to complete these forms were sent via Permission Click. Be sure to add notifications@permissionclick.com to your safe sender list to ensure required forms aren't mistakenly directed to your junk mail folder.

As many of you are aware, we had our first fire drill this week. Students did a great job participating in this drill. A gentle reminder to regularly update all your emergency contacts in case we have difficulty reaching you in the event of an emergency.

Our bell schedule has changed this year and can be found [here](#).

Hopefully, the beautiful weather continues next week for our Terry Fox Run. This event will take place next Friday in our school yard and all students are encouraged to bring in a Toonie for Terry.

Have a great weekend!

James Mowat Staff
